You can add photos from our [PHOTO GALLERY](#), if you choose.)

This year, our school _____(Name of School) will join many other schools to participate in a special student-to-student project called the Roots of Peace Penny Campaign. We will be collecting pennies and spare change to help build schools, soccer fields and playgrounds in war-torn countries - converting minefields into safe fields where children can study and play and live without fear.

During the Campaign, we will be learning about the challenges that children living in war-torn countries face each day and about how we as students can make a difference in the lives of children less fortunate.

Each classroom will have a coin collection canister and students are encouraged to donate pennies or spare change. Every penny counts because just one penny can buy a pencil for a child who has never had an education, but all of us working together can truly make a difference and help to plant the "roots of peace".

Our campaign will start now and end on _____(date).

We are very proud of our efforts and hope you will support us. If you want to know more about our Penny Campaign and the organization, you can log onto www.rootsofpeace.org.

Yours truly,
